KNOW WHICH INTERSCHOLASTIC ATHLETICS COUNT TOWARD TITLE IX

Interscholastic Athletic Activities Counted for Title IX Compliance: 108 LRP 54733 (OCR 09/17/08).

1. Program Structure and Administration

- Is the activity structured and administered in a manner consistent with other confirmed varsity sports.
- OCR will scrutinize whether an operating budget, support services and coaching personnel are provided.
- OCR will review whether the participants in the athletic activity qualify to receive athletic awards in a manner consistent with customary varsity sports.

2. Team preparation and Competition

- OCR will consider whether the team prepares for and interacts in competition in a manner consistent with traditional varsity sports, including:
- Whether comparative practice opportunities are available.
- Do the customary season competitive opportunities differ quantitatively or qualitatively?
- Are the pre-season and post-season competitive activities comparable?
- Is the primary purpose of the activity to provide athletic competition at the interscholastic varsity level rather than to confirm or advance other athletic activities?
